

NORTHWOOD COUNTRY CLUB

Welcome

Northwood Country Club has grown to be one of the most beautiful country club's in Mississippi. A combination of gorgeous facilities and an accommodating staff make your experience a warm and inviting haven nestled in the perfect location.

ABOUT US

On March 18, 1929, Northwood Country Club completed construction on the original Clubhouse and golf course that was part of the beginning of Northwood. The original clubhouse was a reproduction of George Washington's Mount Vernon home.

Today, Northwood Country Club is one of the most prestigious private clubs in Mississippi. Situated within the city limits of Meridian, it is noted for its beautiful setting of rolling hills, pines, hardwoods, dogwoods, magnolias and azaleas. The present clubhouse, which was inspired by a club in Boulder, Colorado, had its construction completed in 1971. This structure is a large, contemporary, multi-level facility of stone, wood, and glass. In addition to its beautiful and convenient location, it provides members with all the amenities of a private club: 18 hole championship golf course, full service golf shop, driving range, six lighted tennis courts, four pickleball courts, tennis clubhouse, five dining rooms, Olympic size swimming pool with poolside grill, fitness room and locker rooms.

Members enjoy monthly dining and social events, golf tournaments, golf clinics, tennis tournaments, tennis clinics, swimming pool activities, and other fun activities for adults and children.
